## SUMMER CAMP

### WHAT IS JA BIZTOWN SUMMER CAMP?

Our hands-on, interactive program is designed to teach students, ages 8-13, about business, economics, and personal finance. Students have the opportunity to run their own businesses, make real-life financial decisions, and learn valuable skills in a simulated town environment.

This is a unique and engaging way to learn about the real world of business and finance. Don't miss out on this opportunity to gain valuable knowledge and have fun!
